Who is the CIC? What does ATSDR stand for?

Hey Chris,

We had a few items for the community, including the introduction of our new Community Involvement Coordinator (CIC), we introduced ATSDR staff who had a 10 minute presentation and then we wanted to let the folks know Glencore had the drilling crews and others performing a site recon. Field work has started. One of the main messages I had was the difference between CALBAG and their Demo and the RI/FS work under the AOC. I think it helped being very direct that the RI/FS is only investigation and cleanup won't be happening for approx. 4 +- years.

Otherwise much of the same.

Anything new on the CFAC front? I missed the meeting. I had a conflict.
